

DOORS | Patio Sliding Door

The Patio Sliding Door offers the following **features**:

- Aluminium Glass Solutions represents a new generation of aluminium sliding doors.
- Our doors with contemporary aesthetic appeal.
- The unique design of the frame joints positively assists in achieving squareness, rigidity and waterproofing.
- Double woolpile sealing of moving surfaces ensures smooth operation, while keeping dust, draft and rain where they belong – outside!
- Our doors truly represent value for money with an aesthetic advantage.
